

50 STATE FLASHCARDS

Your free bonus from 50 States Workbook for Kids

Print, cut and play! The shape of each state is on the front. Its capital, nickname, bird, flower and more are on the back.

HOW TO PRINT AND PLAY

HOW TO PRINT

Print pages 3 to 20 on both sides of the paper, flipping on the long edge. Each back lands right behind its card. No double-sided printer? Print the card pages, then put the same sheets back in the tray and print the back pages on the other side.

HOW TO CUT

Cut along the dotted lines. Thicker paper or card stock makes the cards last longer.

GAME 1: WHICH STATE AM I?

Show the shape. The first player to name the state keeps the card. Whoever has the most cards at the end wins.

GAME 2: CAPITAL CHALLENGE

Read out the name of a state from the back. Your partner has to say its capital. Get it right and you keep the card.

GAME 3: ROAD TRIP ORDER

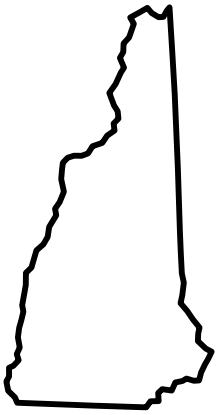

Shuffle the cards and try to put them in the order the states joined the United States. Check yourself with the "state #" on the back.
